## ABOUT THE TEAM

We're proud to be a family business that started in 2015. Combining Reed's experience in software development and Alysa's in marketing, we started a website covering smart home tech. Our audience expanded to YouTube, where we now have millions of views and thousands of subscribers. A few highlights over the years:

- Collaborating with major smart home brands
- Attending CES 2017-2019 as media
- Creating one of the most-viewed CES videos in 2019
- Being quoted by several news outlets
